A Collection of Ordinary People's Mystical Experiences

Collected and Edited by Emily Rodavich

**"These stories will draw you in with their humanity...
and make it hard for you to stop reading.
Savor every 'magical' moment you will read
in this treasure of a book."**

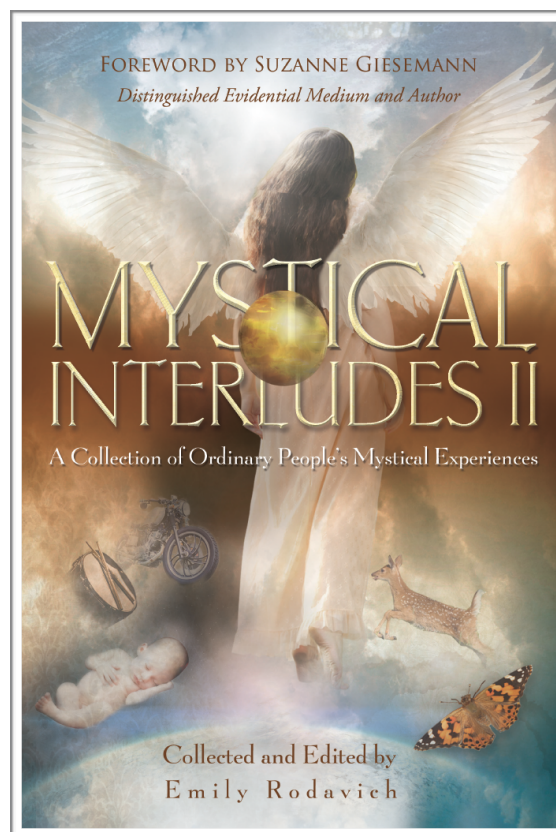

–SUZANNE GIESEMANN, Distinguished Evidential Medium

At the end of her award-winning memoir, *Mystical Interludes: An Ordinary Person's Extraordinary Experiences* (2016), Emily Rodavich invites readers to submit true stories about their own mystical experiences for her next book. Enthusiastic reader responses, along with strong audience interest at her speaking events, generated forty captivating stories for this edition.

Vivid descriptions of near-death and out-of-body experiences and past-life memories boggle the mind. Anecdotes about receiving signs and answers from beyond instill awe. Tales that trace the intertwined destinies of lovers, and parents and children inspire wonder and uplift the heart. Rodavich's first curated collection of others' *mystical interludes* will confound your left brain, but resonate in your heart, even your soul... and as you recall a *mystical interlude* of your own, you'll find the inspiration to share it with the world.

Growing up, **EMILY RODAVICH** experienced spontaneous mystical events, including a near-death experience detailed in her memoir, the first book in the *Mystical Interludes* series. A former high school teacher, mother of three and grandmother of four, she lives near Pittsburgh, Pennsylvania, where she hosts The Mystical Interludes Discussion Group each month.
